

IN THE ABSTRACT

Please add the Abstract of the Disclosure, as set forth on the separate accompanying sheet. That Abstract of the Disclosure is essentially the same, in content, as the Abstract which is a part of the published PCT application WO 2004/056686. No new matter is being presented by the addition of this Abstract of the Disclosure.

ABSTRACT OF THE DISCLOSURE

A device is used for at least one of treating and conveying a strip of material in one of a treating and processing machine. The device includes at least one strip-treating tool which is embodied in the form of a folding cone, and one strip-treating tool which is provided as a knife. The knife and the folding cone are both transversely displaceable in the direction of travel of the strip of material by the operation of a regulating element.
